A premier marina village and yachting destination in the Mediterranean off the Adriatic coast, Porto Montenegro is home to the Hotel Regent Porto Montenegro, a spectacular five-star property that comprises a mix of 51 hotel rooms and 35 private residences, all with breathtaking views of Boka Bay and the ocean. The five-story terracotta-roofed building is inspired by the Venetian Renaissance masters. It features sophisticated contemporary interiors in a marine-color palette, created by award-winning Paris designer Tino Zervudachi, in tribute to the hotel's luxurious seaside setting.
