RICHARD MISHAAN

Drawing From His International And Fashion Roots, One Renowned Architectural Interior Designer Creates Bold Synergy With Furnishings And Objects From Myriad Eras

ABOVE: Showcasing his most impressive projects over the past five years, *Artfully Modern* displays Mishaan's innovative, artistic personalized style that blends collectibles and antiques with vibrantly colored and patterned furnishings.

ABOVE RIGHT: Richard Mishaan is one of New York's premier architectural interior designers. Homer, his stylish New York City gallery, features collections from the world's best design show houses.

Inside the pages of his new book, *Artfully Modern*, celebrated New York designer and Colombian native Richard Mishaan showcases dozens of eclectic interiors. Mishaan creates glamorous yet comfortable spaces of any scale, from luxurious Miami hotels to Hamptons estates, to the presidential suite at the St. Regis Hotel. In what has become his personalized signature, Mishaan transforms rooms by skillfully layering furnishings and objects from myriad eras — a contemporary fusion style.

A master at creating bespoke decor for high profile clients that include CEO's of luxury hotel chains and clientele in the fashion, entertainment and real estate industries, Mishaan's book also reveals how his style aesthetic can easily be adapted to any sized dwelling. ABOVE: Richard Mishaan is one of New York's premier architectural interior designers with a career that spans from furniture creation and architecture to fashion design. His New York City gallery, Homer, features collections from the world's best design show houses.

RIGHT: Mishaan is an acclaimed master at creating innovative, artistic personalized decor. He mixes art and furnishings that he acquires from his international travels with bold color and patterns to make a room pop.

Inside the pages of his new book, *Artfully Modern* , celebrated New York designer and Colombian native Richard Mishaan showcases dozens of eclectic interiors. Mishaan, once a fashion designer, draws on his artistic ability to create glamorous, bold, yet comfortable spaces of any scale, from luxurious Miami hotels to Hamptons estates, to the presidential suite at the St. Regis Hotel. In what has become his personalized signature, Mishaan transforms rooms by skillfully layering furnishings and objects from myriad eras — a contemporary fusion style that beautifully blends collectibles and antiques with artwork and furnishings.

A master at creating bespoke decor for high profile clients that include CEO's of international luxury hotel chains and prestigious clientele in the fashion, entertainment and real estate industries, Mishaan's latest book also reveals how his style aesthetic can easily be adapted to any sized dwelling.
