The Luxury Outdoor Furnishings Pioneer Unveils Its New Home In DCOTA With An Exciting Showcase Of Innovative Timeless Design

TEXT Susan Sherman

Dedon, a premier manufacturer of luxury outdoor furnishings, recently celebrated the launch of its new 5,000-square-foot showroom in the prestigious Design Center of the Americas, DCOTA, in Dania Beach, Fla.

Opening its doors for the first time with an exclusive location in South Florida, Dedon, now in its 25th year, is internationally known for its unsurpassed quality that melds innovative materials with Old World craftsmanship. Inside, designers will peruse Dedon's latest collections which include the award-winning Dala, featuring a loveseat, cocktail table and stool, and the versatile Mu modular system that lends the perfect seating for intimate occasions or larger social gatherings. For more information, please call 954/299-0651.◆

LEFT: Dedon's "Ahnda," a fresh take on an outdoor wingback chair, is created by acclaimed designer Stephen Burks with a signature open weave, iconic styling, ergonomic comfort and luxurious details.
